CRUISE UPDATE

Aesthetic Cruise

In an effort to keep you updated on important date deadlines and other information, I will be sending regular updates until our trip.

STATEMENT FROM OCEANIA CRUISES **IMPORTANT NOTIFICATION CONCERNING YOUR CRUISE RESERVATION**

The health, safety and security of our guests, crew and communities we visit is our top priority. Due to the escalated situation between Russia and Ukraine, we have made the decision to alter itineraries and remove Russian and Ukrainian ports from our voyages for the remainder of the year. Our team is diligently working to confirm replacement ports and we will advise all impacted guests and travel advisors as soon as possible. We share your disappointment and sincerely apologize for any inconvenience this may have caused, but also hope you understand the necessity of this action.

Due to this unfortunate event, if you booked shore excursions in any of the affected ports through Oceania Cruises, they will be automatically canceled and refunded to the original form of payment. No further action is required on your part; your refund will be processed within 14 days.

If you have any questions please contact me. We will maintain a FAQ list with answers on the meeting website at [Here](#) so your question(s) may appear for others to reference in the future.

Thank you again for all of your comments and suggestions.
Bob
